PROFESSIONAL SUMMARY

I am a dedicated Quality Auditor with extensive experience in the textiles industry, emphasizing quality management and compliance.

My expertise includes conducting inspections, monitoring quality standards, and implementing lean manufacturing processes.

I am passionate about ensuring customer satisfaction and driving continuous improvement in quality control practices.

I seek a challenging position to leverage my skills and contribute to an organization's success.

EXPERIENCE

06.2020 - Present Quality Specialist

QIMA Formally, Karachi

Third Party Inspection Company

- Proactively identifying any potential problem areas and ensuring that they are addressed timely and effectively.
Providing necessary feedback to manufacturers in order to ensure compliance with company standards.
- Utilizing company's inspection tools and software to record and analyze inspection results.
- Working closely with the production team to ensure that all products are made up to the expected quality standards.
- Carrying out random spot-checks on manufactured products to ensure conformity with set specifications.
- Communicating effectively with supervisors and other team members to ensure smooth running of inspection processes.
- Maintaining a comprehensive database of inspection findings for future reference.
- Completion and maintenance of all necessary paperwork and records related to inspection.
- Ensuring compliance with all Occupational Safety and Health Administration (OSHA) regulations and guidelines during inspection.
- Participating in regular company training to improve knowledge and skills in inspection procedures.
