### ● ABOUT MYSELF

#### About Me

A skilled and dedicated CNC Facing and Boring , Drilling Chamfering Machine Operator with 03 years of experience and a proven track record of delivering precision machining solutions. With an understanding of CNC (Computer Numerical Control) technology and an eye for detail, I am committed to ensuring efficient and accurate manufacturing of complex components. My expertise extends to the setup, programming and operation of HMC machines (Horizontal Machine Center) as well as a strong focus on safety protocols and quality assurance. I am passionate about optimizing manufacturing processes, reducing downtime and achieving continuous improvement in every project, contributing to the overall success of the team and organization.
